

Clean Slate

A Graffiti Eradication Program

Clean Slate is a graffiti eradication program organized by the Kernersville Police Department, and supported by the Town's zero tolerance policy on graffiti. Clean Slate is based upon creating private-public partnerships which can include; community volunteerism, business sponsorships for cleanup materials, and private property owners granting permission to clean graffiti off their property. The program's goal is to eradicate graffiti as soon as practical, thus keeping our community safe and beautiful.

Get Involved, Make a Difference

The Kernersville Police Department hosts several Clean Slate events throughout the year, each lasting between two and four hours. Everyone is welcome to participate. If you are a student in need of community service hours, a civic group looking for a fun way to contribute to the community or businesses wanting to sponsor an event, then this is a great program for you. Call today to get registered for the next Clean Slate event.

Keep Your Community Graffiti Free

- Graffiti is a crime and it encourages other criminal acts.
- Street gangs use graffiti as a way to promote their gang and intimidate others.
- Report graffiti when you see it. Call the Kernersville Police at 996-3177 or 911 for emergencies.
- Quick removal of graffiti is the best prevention method.
- Make business owners aware of graffiti on their property; encourage them to remove it.
